## A UNIQUE LOCATION

With its château, park and aircraft hangars, AEROCAMPUS Events offers a unique environment for your events, creating an atmosphere conducive to interaction and team building. The presence of around thirty aircraft offers an immersion into the world of aeronautics. This dual setting makes it possible to design original formats tailored to the needs of each organisation.

## MADE-TO-MEASURE SPACES

Our team can arrange access to welcoming spaces, perfectly suited to your professional, cultural and sporting events as well as corporate gatherings. The campus features plenary rooms, reception areas, an amphitheatre, a gymnasium and fully-equipped offices. It's a stimulating environment, designed to foster collaboration, inspire creativity, and support the development of every project within a dynamic ecosystem.

## RESTAURATION

To accompany your events, our team offers varied and balanced catering, adapted to your every need (self-service or catered). Our catering areas are designed to encourage discussion, and our offerings are designed to fit in with the way your day unfolds. Whether you're looking for a quick lunch break, a sitdown dinner or a cocktail reception, every moment becomes a real gourmet and convivial interlude.

## ACCOMMODATION

AEROCAMPUS Events has accommodations to suit all types of audience, guaranteeing comfort and safety. Our facilities provide the ideal setting for a relaxing stay. Equipped with modern facilities, each accommodation combines functionality and comfort, in an atmosphere that is both warm and reassuring.
